Blk. 18 Bldg. 13 Rm. 3
Manzanar, California
March 29. 1943

Dear Mr. Frank Dullman:

Received your letter of February 28, 1943. I was very glad to hear from you and to learn that my car is ready.

Frank, thanks for everything you have done for my car. Please give my best of regards and thanks to Mr. Afton who was so generous in fixing my car for me please. I appreciate very much for everything you and Mr, Afton both have done for my car.

Frank, do you want to send me the statements for the car so that I can send you the money? or Should I wait until you bring the car up here to me and then give you the money?

Concerning the permit to get into this camp Frank, please do not worry I will get it for you here myself. All you have to do is to just drive my car straight up here to the camp. At the entrance of the camp there be a permit for you to come in so please do not worry.

Frank, when you come please kindly see to that the car has enough gas, oil and water is in so enough to come up here. Incase you think you need more gas, oil and water please kindly arrange for your self the necessity of gasoline and oil and I shall pay you for the necessary cost. In case you can not arrange the matter yourself then please kindly ask Mr. Fred W. Rush. I hope you could arrange for yourself. I would appreciate very much if you could do this much for me please.

Frank, when you come please kindly make the arrangement to come up with Mr. Rush, who is going to bring up brothers' car and Art's truck. So that you will have a transpertation to get back home.

Frank, please kindly do me a favor of putting on a lock to my gasoline tank on my car. Because the reason I wish to have this lock put on my gas tank is that many people steal gas from the tank etc. I would appreciate greatly if you'll do this much for me.

Frank, please kindly bring up to my family any fresh vegetable that you have on hand small amounts of each one please. We miss the fresh vegetables and would appreciate very much if you could bring some for us. Thank you.

Please kindly give our best of regards to your father and his family and to your family to please. Looking forward to seeing you folk real soon.

Sincerely yours,

Frank Chikasawa
